INTERVIEW SUMMARY

The applicant thanks Examiner Borin for the courtesy of a telephone interview on December 15, 2004, relating to the final action in this matter. The Examiner, the inventor Dr. LaDine, and the inventor's undersigned attorney participated.

In the interview, the participants discussed the Examiner's rejections of claims 1, 22, and 29 as obvious over U.S. Patent No. 4,507,555 ("Chang") or Demirev et al., Analytical Chemistry 69(15):2893, 1997 ("Demirev"). No agreement was reached, and the Examiner indicated that the rejection would be maintained.

No fee is believed to be due. If, however, there are any charges or credits, please apply them to Deposit Account No. 06-1050.

Respectfully submitted,

Date: March 18, 2005
